

CAMPFIRE

GET
ADVENTUROUS

30 MINUTES

PREPARATION
NEEDED

▶▶ GETTING INTO THE ACTIVITY

Create a mini campfire at home and join Unite and Cumbrae Camp at Home on Friday 22nd May at 9pm for a campfire and hot chocolate.

- 1) You'll need appropriate tinder materials. Tinder is small, dry and highly flammable materials to help catch the flame. A natural tinder would be dry grass, however if you can't find that then cotton wool will work.
- 2) Inside a tin foil tray, build a fire by creating a small pile of dry sticks. Leave a gap near the bottom to place your tinder.
- 3) Using matches or a lighter carefully ignite your tinder.
- 4) Gently blow on the flame to boost the oxygen and grow the flame. This should help light the small pile of sticks.
- 5) Manage the fire by ensuring there is enough fuel (sticks) for the fire. Once finished, carefully extinguish the fire with a bucket of water.

Take a photo of your campfire and share it with your BB group or post on social media using #UniteBB #CumbraeCamp #UnitedInLockdown.

WHAT YOU'LL NEED

- Matches / Lighter
- Tin Foil Tray
- Dry Sticks & Wood
- Bucket of Water
- Dry Grass or Cotton Wool

NOTES FOR PARENTS & CARERS

An adult should supervise this activity. Care and consideration should be given to the space you are using and all fire precautions. The fire should never be left unattended. For more information about Unite and Cumbrae Camp at Home visit <http://www.unitebb.org.uk>
