

# Community Challenge

We want to know what you've been doing since Unite 2020! In particular, what you have been doing to support and look after others through the lockdowns. All over the country we have seen people doing shopping for those who have been self-isolating or having a cup of tea in the garden with people who live alone. We know BB, GB, youth groups and churches are a big part of the community and that you all have great ideas that make a difference. Let's hear all about it and celebrate the kindness in our communities.

If you want to get involved, please send in a short introduction video (10-15 seconds) with any pictures of what you've been up to. Please submit all videos before the deadline of 21<sup>st</sup> May 2021. For further details on how to submit your videos please see the 'Unite 2021 How to Submit Videos' document.

## The Videos...

When you submit your introduction videos, we'd be really interested to know:

- How have you looked after people who are on their own or isolating?
- How have you raised money or awareness for charities and good causes?
- How have you kept in touch with your friends when you haven't had in-person BB/GB/youth group meetings?
- How have done church, worshipped and talked about faith when the buildings have been closed?

## The Weekend...

A challenge will be also issued on the weekend to go and do an easy activity that benefits others between 3-5pm Saturday. This could be a spontaneous litter pick or a pre-planned food delivery but let's see it on social media with #unitebb to show the difference we are making
