

# Unite Taskmaster 2021

Get ready for interesting, yet ridiculous, tasks as we challenge your creativeness and competitiveness. Below are 8 taskmaster challenges for you to complete on your own or with your Company, friends or family. This activity is open to leaders and young people – but leaders beware of the Taskmaster’s judgement.

Film yourself or your group completing these challenges and submit them to be in with a chance of being crowned our winner. Please also include a short intro video of you/your group waving at the camera and letting us know who you are. For further details on how to submit your videos please see the ‘Unite 2021 How to Submit Videos’ document.

Points will be rewarded for speed, creativity and anything else the Taskmaster decides! You can complete as many tasks as you want, and the Taskmaster will then pick your best 3 and will score them. These games can be done individually or as a team.

Please take care when taking part in any of these tasks, and remember before getting involved at home make sure you check your surroundings and make sure it is safe for you to join in. We recommend you check with parents/carers around food allergies, and we remind you that we cannot be held responsible for any injury to yourself or others, any breakages or damage to possessions

*\*Please submit all videos before the event as these will be judged in true taskmaster style. The deadline is 21<sup>st</sup> May 2021 \**

## The Tasks...
